INFORMATION DISCLOSURE STATEMENT

Attached hereto is a copy of the recently received German Office Action. Also attached are copies of those references not already of record.

The undersigned certifies that each item of information contained in this Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Statement.

The German Office Action makes a blanket formal rejection of the claims and then states, with regard to the references:

"In looking at the references, 1 - 8 for example all describe arrangements for displaying different medical data. Even the varying breath pressure (introductory clause) is seen for example in references 9 to 11 and the use of cordless transmission

of the head signals is seen in references 7 and 12 or from DE 199 56 841 cited by applicant."

Attention is directed to 1194 OG 167 (7 January 1997) which states with reference to information submitted in an Information Disclosure Statements "Where the information listed is not in the English language, but was cited in a search report by a foreign patent office in a counterpart foreign application, the requirement for a concise explanation of relevance can be satisfied by submitting an English language version of the search report which indicates the degree of relevance found by the foreign office."

Respectfully submitted,
The Firm of Karl F. Ross P.C.
